* Reports received as of August 22, 2006

California Code of Regulations, Title 17, Section 2606.4(a)(4) Rabies Control Activities Reporting. During such time as a county is under official declaration as a rabies area, each local official responsible for the various phases of local dog or rabies control within each city, county and city or cities, or county shall make quarterly rabies control activities reports to and on forms furnished by the Department. Such reports shall be submitted to the Department by the local officials responsible for the various phases of local dog or rabies control through the local health officer so as to reach the Department not later than 30 days following each quarter.
